## 3. General information and mandatory information

### Data protection

The operators of this website and its pages take the protection of your personal data very seriously. Hence, we handle your personal data as confidential information and in compliance with the statutory data protection regulations and this Data Protection Declaration.

Whenever you use this website, a variety of personal information will be collected. Personal data comprises data that can be used to personally identify you. This Data Protection Declaration explains which data we collect as well as the purposes we use this data for. It also explains how, and for which purpose the information is collected.

We herewith advise you that the transmission of data via the Internet (i.e., through e-mail communications) may be prone to security gaps. It is not possible to completely protect data against third-party access.

## **Information about the responsible party (referred to as the “controller” in the GDPR)**

The data processing controller on this website is:

Perimeter Protection Germany GmbH  
Johann-Reineke-Straße 6-10  
33154 Salzkotten  
Deutschland

Phone: +49 5258 500 70  
E-mail: [info@perimeterprotection.net](mailto:info@perimeterprotection.net)

The controller is the natural person or legal entity that single-handedly or jointly with others makes decisions as to the purposes of and resources for the processing of personal data (e.g., names, e-mail addresses, etc.).

### **Storage duration**

Unless a more specific storage period has been specified in this privacy policy, your personal data will remain with us until the purpose for which it was collected no longer applies. If you assert a justified request for deletion or revoke your consent to data processing, your data will be deleted, unless we have other legally permissible reasons for storing your personal data (e.g., tax or commercial law retention periods); in the latter case, the deletion will take place after these reasons cease to apply.

### **General information on the legal basis for the data processing on this website**

If you have consented to data processing, we process your personal data on the basis of Art. 6(1)(a) GDPR or Art. 9 (2)(a) GDPR, if special categories of data are processed according to Art. 9 (1) DSGVO. In the case of explicit consent to the transfer of personal data to third countries, the data processing is also based on Art. 49 (1)(a) GDPR. If you have consented to the storage of cookies or to the access to information in your end device (e.g., via device fingerprinting), the data processing is additionally based on § 25 (1) TTDSG. The consent can be revoked at any time. If your data is required for the fulfillment of a contract or for the implementation of pre-contractual measures, we process your data on the basis of Art. 6(1)(b) GDPR. ### **Information on data transfer to the USA and other non-EU countries**

Among other things, we use tools of companies domiciled in the United States or other from a data protection perspective non-secure non-EU countries. If these tools are active, your personal data may potentially be transferred to these non-EU countries and may be processed there. We must point out that in these countries, a data protection level that is comparable to that in the EU cannot be guaranteed. For instance, U.S. enterprises are under a mandate to release personal data to the security agencies and you as the data subject do not have any litigation options to defend yourself in court. Hence, it cannot be ruled out that U.S. agencies (e.g., the Secret Service) may process, analyze, and permanently archive your personal data for surveillance purposes. We have no control over these processing activities.

### **Revocation of your consent to the processing of data**

A wide range of data processing transactions are possible only subject to your express consent. You can also revoke at any time any consent you have already given us. This shall be without prejudice to the lawfulness of any data collection that occurred prior to your revocation.

### **Right to object to the collection of data in special cases; right to object to direct advertising (Art. 21 GDPR)**

IN THE EVENT THAT DATA ARE PROCESSED ON THE BASIS OF ART. 6(1)(E) OR (F) GDPR, YOU HAVE THE RIGHT TO AT ANY TIME OBJECT TO THE PROCESSING OF YOUR PERSONAL DATA BASED ON GROUNDS ARISING FROM YOUR UNIQUE SITUATION. THIS ALSO APPLIES TO ANY PROFILING BASED ON THESE PROVISIONS. TO DETERMINE THE LEGAL BASIS, ON WHICH ANY PROCESSING OF DATA IS BASED, PLEASE CONSULT THIS DATA PROTECTION DECLARATION. IF YOU LOG AN OBJECTION, WE WILL NO LONGER PROCESS YOUR AFFECTED PERSONAL DATA, UNLESS WE ARE IN A POSITION TO PRESENT COMPELLING PROTECTION WORTHY GROUNDS FOR THE PROCESSING OF YOUR DATA, THAT OUTWEIGH YOUR INTERESTS, RIGHTS AND FREEDOMS OR IF THE PURPOSE OF THE PROCESSING IS THE CLAIMING, EXERCISING OR DEFENCE OF LEGAL ENTITLEMENTS (OBJECTION PURSUANT TO ART. 21(1) GDPR).

IF YOUR PERSONAL DATA IS BEING PROCESSED IN ORDER TO ENGAGE IN DIRECT ADVERTISING, YOU HAVE THE RIGHT TO OBJECT TO THE PROCESSING OF YOUR AFFECTED PERSONAL DATA FOR THE PURPOSES OF SUCH ADVERTISING AT ANY TIME. THIS ALSO APPLIES TO PROFILING TO THE EXTENT THAT IT IS AFFILIATED WITH SUCH DIRECT ADVERTISING. IF YOU OBJECT, YOUR PERSONAL DATA WILL SUBSEQUENTLY NO LONGER BE USED FOR DIRECT ADVERTISING PURPOSES (OBJECTION PURSUANT TO ART. 21(2) GDPR).

## **Right to log a complaint with the competent supervisory agency**

In the event of violations of the GDPR, data subjects are entitled to log a complaint with a supervisory agency, in particular in the member state where they usually maintain their domicile, place of work or at the place where the alleged violation occurred. The right to log a complaint is in effect regardless of any other administrative or court proceedings available as legal recourses.

The responsible supervisory authority is the following:

Landesbeauftragte für Datenschutz und Informationsfreiheit Nordrhein-Westfalen  
Kavalleriestraße 2 – 4  
40213 Düsseldorf

Phone: 02 11 384 24-0

E-mail: [poststelle@ldi.nrw.de](mailto:poststelle@ldi.nrw.de)

## **Right to data portability**

You have the right to demand that we hand over any data we automatically process on the basis of your consent or in order to fulfil a contract be handed over to you or a third party in a commonly used, machine readable format. If you should demand the direct transfer of the data to another controller, this will be done only if it is technically feasible.

## **Information about, rectification and eradication of data**

Within the scope of the applicable statutory provisions, you have the right to at any time demand information about your archived personal data, their source and recipients as well as the purpose of the processing of your data. You may also have a right to have your data rectified or eradicated. If you have questions about this subject matter or any other questions about personal data, please do not hesitate to contact us at any time.

## **Right to demand processing restrictions**

You have the right to demand the imposition of restrictions as far as the processing of your personal data is concerned. To do so, you may contact us at any time. The right to demand restriction of processing applies in the following cases:

- In the event that you should dispute the correctness of your data archived by us, we will usually need some time to verify this claim. During the time that this investigation is ongoing, you have the right to demand that we restrict the processing of your personal data.
- If the processing of your personal data was/is conducted in an unlawful manner, you have the option to demand the restriction of the processing of your data in lieu of demanding the eradication of this data.

- If we do not need your personal data any longer and you need it to exercise, defend or claim legal entitlements, you have the right to demand the restriction of the processing of your personal data instead of its eradication.
- If you have raised an objection pursuant to Art. 21(1) GDPR, your rights and our rights will have to be weighed against each other. As long as it has not been determined whose interests prevail, you have the right to demand a restriction of the processing of your personal data.

If you have restricted the processing of your personal data, these data – with the exception of their archiving – may be processed only subject to your consent or to claim, exercise or defend legal entitlements or to protect the rights of other natural persons or legal entities or for important public interest reasons cited by the European Union or a member state of the EU.

### **SSL and/or TLS encryption**

For security reasons and to protect the transmission of confidential content, such as purchase orders or inquiries you submit to us as the website operator, this website uses either an SSL or a TLS encryption program. You can recognize an encrypted connection by checking whether the address line of the browser switches from “http://” to “https://” and also by the appearance of the lock icon in the browser line.

If the SSL or TLS encryption is activated, data you transmit to us cannot be read by third parties.

## **4. Recording of data on this website**

### **Cookies**

Our websites and pages use what the industry refers to as “cookies.” Cookies are small data packages that do not cause any damage to your device. They are either stored temporarily for the duration of a session (session cookies) or they are permanently archived on your device (permanent cookies). Session cookies are automatically deleted once you terminate your visit. Permanent cookies remain archived on your device until you actively delete them, or they are automatically eradicated by your web browser.

Cookies can be issued by us (first-party cookies) or by third-party companies (so-called third-party cookies). Third-party cookies enable the integration of certain services of third-party companies into websites (e.g., cookies for handling payment services).

Cookies have a variety of functions. Many cookies are technically essential since certain website functions would not work in the absence of these cookies (e.g., the shopping cart function or the display of videos). Other cookies may be used to analyze user behavior or for promotional purposes.

Cookies, which are required for the performance of electronic communication transactions, for the provision of certain functions you want to use (e.g., for the shopping cart function) or those that are necessary for the optimization (required cookies) of the website (e.g., cookies that

provide measurable insights into the web audience), shall be stored on the basis of Art. 6(1)(f) GDPR, unless a different legal basis is cited. The operator of the website has a legitimate interest in the storage of required cookies to ensure the technically error-free and optimized provision of the operator's services. If your consent to the storage of the cookies and similar recognition technologies has been requested, the processing occurs exclusively on the basis of the consent obtained (Art. 6(1)(a) GDPR and § 25 (1) TTDSG); this consent may be revoked at any time.

You have the option to set up your browser in such a manner that you will be notified any time cookies are placed and to permit the acceptance of cookies only in specific cases. You may also exclude the acceptance of cookies in certain cases or in general or activate the delete-function for the automatic eradication of cookies when the browser closes. If cookies are deactivated, the functions of this website may be limited.

Which cookies and services are used on this website can be found in this privacy policy.

### **Consent with Borlabs Cookie**

Our website uses the Borlabs consent technology to obtain your consent to the storage of certain cookies in your browser or for the use of certain technologies and for their data privacy protection compliant documentation. The provider of this technology is Borlabs GmbH, Rübenkamp 32, 22305 Hamburg, Germany (hereinafter referred to as Borlabs).

Whenever you visit our website, a Borlabs cookie will be stored in your browser, which archives any declarations or revocations of consent you have entered. These data are not shared with the provider of the Borlabs technology.

The recorded data shall remain archived until you ask us to eradicate them, delete the Borlabs cookie on your own or the purpose of storing the data no longer exists. This shall be without prejudice to any retention obligations mandated by law. To review the details of Borlabs' data processing policies, please visit <https://de.borlabs.io/kb/welche-daten-speichert-borlabs-cookie/>

We use the Borlabs cookie consent technology to obtain the declarations of consent mandated by law for the use of cookies. The legal basis for the use of such cookies is Art. 6(1)(c) GDPR.

### **Server log files**

The provider of this website and its pages automatically collects and stores information in so-called server log files, which your browser communicates to us automatically. The information comprises:

- The type and version of browser used
- The used operating system
- Referrer URL
- The hostname of the accessing computer

- The time of the server inquiry
- The IP address

This data is not merged with other data sources.

This data is recorded on the basis of Art. 6(1)(f) GDPR. The operator of the website has a legitimate interest in the technically error free depiction and the optimization of the operator's website. In order to achieve this, server log files must be recorded.

## **Contact form**

If you submit inquiries to us via our contact form, the information provided in the contact form as well as any contact information provided therein will be stored by us in order to handle your inquiry and in the event that we have further questions. We will not share this information without your consent.

The processing of these data is based on Art. 6(1)(b) GDPR, if your request is related to the execution of a contract or if it is necessary to carry out pre-contractual measures. In all other cases the processing is based on our legitimate interest in the effective processing of the requests addressed to us (Art. 6(1)(f) GDPR) or on your agreement (Art. 6(1)(a) GDPR) if this has been requested; the consent can be revoked at any time.

The information you have entered into the contact form shall remain with us until you ask us to eradicate the data, revoke your consent to the archiving of data or if the purpose for which the information is being archived no longer exists (e.g., after we have concluded our response to your inquiry). This shall be without prejudice to any mandatory legal provisions, in particular retention periods.

## **Request by e-mail, telephone, or fax**

If you contact us by e-mail, telephone or fax, your request, including all resulting personal data (name, request) will be stored and processed by us for the purpose of processing your request. We do not pass these data on without your consent.

These data are processed on the basis of Art. 6(1)(b) GDPR if your inquiry is related to the fulfillment of a contract or is required for the performance of pre-contractual measures. In all other cases, the data are processed on the basis of our legitimate interest in the effective handling of inquiries submitted to us (Art. 6(1)(f) GDPR) or on the basis of your consent (Art. 6(1)(a) GDPR) if it has been obtained; the consent can be revoked at any time.

The data sent by you to us via contact requests remain with us until you request us to delete, revoke your consent to the storage or the purpose for the data storage lapses (e.g. after completion of your request). Mandatory statutory provisions - in particular statutory retention periods - remain unaffected.

## **Registration on this website**

You have the option to register on this website to be able to use additional website functions. We shall use the data you enter only for the purpose of using the respective offer or service you have registered for. The required information we request at the time of registration must be entered in full. Otherwise, we shall reject the registration.

To notify you of any important changes to the scope of our portfolio or in the event of technical modifications, we shall use the e-mail address provided during the registration process.

We shall process the data entered during the registration process on the basis of your consent (Art. 6(1)(a) GDPR).

The data recorded during the registration process shall be stored by us as long as you are registered on this website. Subsequently, such data shall be deleted. This shall be without prejudice to mandatory statutory retention obligations.

## 5. Newsletter

### Newsletter data

If you would like to receive the newsletter offered on the website, we require an e-mail address from you as well as information that allows us to verify that you are the owner of the e-mail address provided and that you agree to receive the newsletter. Further data is not collected or only on a voluntary basis. For the handling of the newsletter, we use newsletter service providers, which are described below.

### Mailchimp

This website uses the services of Mailchimp to send out its newsletters. The provider is the Rocket Science Group LLC, 675 Ponce De Leon Ave NE, Suite 5000, Atlanta, GA 30308, USA.

Among other things, Mailchimp is a service that can be deployed to organize and analyze the sending of newsletters. Whenever you enter data for the purpose of subscribing to a newsletter (e.g. your e-mail address), the information is stored on Mailchimp servers in the United States.

With the assistance of the Mailchimp tool, we can analyze the performance of our newsletter campaigns. If you open an e-mail that has been sent through the Mailchimp tool, a file that has been integrated into the e-mail (a so-called web-beacon) connects to Mailchimp's servers in the United States. As a result, it can be determined whether a newsletter message has been opened and which links the recipient possibly clicked on. Technical information is also recorded at that time (e.g. the time of access, the IP address, type of browser and operating system). This information cannot be allocated to the respective newsletter recipient. Their sole purpose is the performance of statistical analyses of newsletter campaigns. The results of such analyses can be used to tailor future newsletters to the interests of their recipients more effectively.

If you do not want to permit an analysis by Mailchimp, you must unsubscribe from the newsletter. We provide a link for you to do this in every newsletter message.

The data is processed based on your consent (Art. 6(1)(a) GDPR). You may revoke any consent you have given at any time by unsubscribing from the newsletter. This shall be without prejudice to the lawfulness of any data processing transactions that have taken place prior to your revocation.

The data deposited with us for the purpose of subscribing to the newsletter will be stored by us until you unsubscribe from the newsletter or the newsletter service provider and deleted from the newsletter distribution list after you unsubscribe from the newsletter. Data stored for other purposes with us remain unaffected.

Data transmission to the US is based on the Standard Contractual Clauses (SCC) of the European Commission. Details can be found here: <https://mailchimp.com/eu-us-data-transfer-statement/> and [https://mailchimp.com/legal/data-processing-addendum/#Annex\\_C - Standard Contractual Clauses](https://mailchimp.com/legal/data-processing-addendum/#Annex_C_-_Standard_Contractual_Clauses).

After you unsubscribe from the newsletter distribution list, your e-mail address may be stored by us or the newsletter service provider in a blacklist, if such action is necessary to prevent future mailings. The data from the blacklist is used only for this purpose and not merged with other data. This serves both your interest and our interest in complying with the legal requirements when sending newsletters (legitimate interest within the meaning of Art. 6(1)(f) GDPR). The storage in the blacklist is indefinite. **You may object to the storage if your interests outweigh our legitimate interest.**

For more details, please consult the Data Privacy Policies of Mailchimp at: <https://mailchimp.com/legal/terms/>.

### Data processing

We have concluded a data processing agreement (DPA) for the use of the above-mentioned service. This is a contract mandated by data privacy laws that guarantees that they process personal data of our website visitors only based on our instructions and in compliance with the GDPR.

## 6. Plug-ins and Tools

### YouTube with expanded data protection integration

Our website embeds videos of the website YouTube. The website operator is Google Ireland Limited ("Google"), Gordon House, Barrow Street, Dublin 4, Ireland.

We use YouTube in the expanded data protection mode. According to YouTube, this mode ensures that YouTube does not store any information about visitors to this website before they watch the video. Nevertheless, this does not necessarily mean that the sharing of data with YouTube partners can be ruled out as a result of the expanded data protection mode. For instance, regardless of whether you are watching a video, YouTube will always establish a connection with the Google DoubleClick network.

As soon as you start to play a YouTube video on this website, a connection to YouTube's servers will be established. As a result, the YouTube server will be notified, which of our pages you have visited. If you are logged into your YouTube account while you visit our site, you enable YouTube to directly allocate your browsing patterns to your personal profile. You have the option to prevent this by logging out of your YouTube account.

Furthermore, after you have started to play a video, YouTube will be able to place various cookies on your device or comparable technologies for recognition (e.g. device fingerprinting). In this way YouTube will be able to obtain information about this website's visitors. Among other things, this information will be used to generate video statistics with the aim of improving the user friendliness of the site and to prevent attempts to commit fraud.

Under certain circumstances, additional data processing transactions may be triggered after you have started to play a YouTube video, which are beyond our control.

The use of YouTube is based on our interest in presenting our online content in an appealing manner. Pursuant to Art. 6(1)(f) GDPR, this is a legitimate interest. If appropriate consent has been obtained, the processing is carried out exclusively on the basis of Art. 6(1)(a) GDPR and § 25 (1) TTDSG, insofar the consent includes the storage of cookies or the access to information in the user's end device (e.g., device fingerprinting) within the meaning of the TTDSG. This consent can be revoked at any time.

For more information on how YouTube handles user data, please consult the YouTube Data Privacy Policy under: <https://policies.google.com/privacy?hl=en>.

### **Vimeo Without Tracking (Do-Not-Track)**

This website uses plugins of the Vimeo video portal. The provider is Vimeo Inc., 555 West 18th Street, New York, New York 10011, USA.

Whenever you visit one of our pages featuring Vimeo videos, a connection with the servers of Vimeo is established. In conjunction with this, the Vimeo server receives information about which of our sites you have visited. Vimeo also receives your IP address. However, we have set up Vimeo in such a way that Vimeo cannot track your user activities and does not place any cookies.

We use Vimeo to make our online presentation attractive for you. This is a legitimate interest on our part pursuant to Art. 6(1)(f) GDPR. If a respective declaration of consent was requested (e.g. concerning the storage of cookies), processing shall occur exclusively on the basis of Art. 6(1)(a) GDPR; the given consent may be revoked at any time.

Data transmission to the US is based on the Standard Contractual Clauses (SCC) of the European Commission and, according to Vimeo, on "legitimate business interests". Details can be found here: <https://vimeo.com/privacy>.

For more information on the handling of user data, please consult Vimeo's data privacy policy at: <https://vimeo.com/privacy>

### **Font Awesome (local embedding)**

This website uses Font Awesome to ensure the uniform use of fonts on this site. Font Awesome is locally installed so that a connection to Fonticons, Inc.'s servers will not be established in conjunction with this application.

For more information on Font Awesome, please and consult the Data Privacy Declaration for Font Awesome under: <https://fontawesome.com/privacy>.

### **Google Maps**

This website uses the mapping service Google Maps. The provider is Google Ireland Limited ("Google"), Gordon House, Barrow Street, Dublin 4, Ireland.

To enable the use of the Google Maps features, your IP address must be stored. As a rule, this information is transferred to one of Google's servers in the United States, where it is archived. The operator of this website has no control over the data transfer. In case Google Maps has been activated, Google has the option to use Google Fonts for the purpose of the uniform depiction of fonts. When you access Google Maps, your browser will load the required web fonts into your browser cache, to correctly display text and fonts.

We use Google Maps to present our online content in an appealing manner and to make the locations disclosed on our website easy to find. This constitutes a legitimate interest as defined in Art. 6(1)(f) GDPR. If appropriate consent has been obtained, the processing is carried out exclusively on the basis of Art. 6(1)(a) GDPR and § 25 (1) TTDSG, insofar the consent includes the storage of cookies or the access to information in the user's end device (e.g., device fingerprinting) within the meaning of the TTDSG. This consent can be revoked at any time.

Data transmission to the US is based on the Standard Contractual Clauses (SCC) of the European Commission. Details can be found here:

<https://privacy.google.com/businesses/gdprcontrollerterms/> and  
<https://privacy.google.com/businesses/gdprcontrollerterms/sccs/>.

For more information on the handling of user data, please review Google's Data Privacy Declaration under: <https://policies.google.com/privacy?hl=en>.

### **SoundCloud**

We may have integrated plug-ins of the social network SoundCloud (SoundCloud Limited, Berners House, 47-48 Berners Street, London W1T 3NF, Great Britain) into this website. You will be able to recognize such SoundCloud plug-ins by checking for the SoundCloud logo on the respective pages.

Whenever you visit this website, a direct connection between your browser and the SoundCloud server will be established immediately after the plug-in has been activated. As a result, SoundCloud will be notified that you have used your IP address to visit this website. If you click the “Like” button or the “Share” button while you are logged into your Sound Cloud user account, you can link the content of this website to your SoundCloud profile and/or share the content. Consequently, SoundCloud will be able to allocate the visit to this website to your user account. We emphasize that we as the provider of the websites do not have any knowledge of the data transferred and the use of this data by SoundCloud.

Data are stored and analyzed on the basis of Art. 6(1)(f) GDPR. The website operator has a legitimate interest in the highest possible visibility on social media. If appropriate consent has been obtained, the processing is carried out exclusively on the basis of Art. 6(1)(a) GDPR and § 25 (1) TTDSG, insofar the consent includes the storage of cookies or the access to information in the user’s end device (e.g., device fingerprinting) within the meaning of the TTDSG. This consent can be revoked at any time.

Great Britain is considered a secure non-EU country as far as data protection legislation is concerned. This means that the data protection level in Great Britain is equivalent to the data protection level of the European Union.

For more information about this, please consult SoundCloud’s Data Privacy Declaration at: <https://soundcloud.com/pages/privacy>.

If you prefer not to have your visit to this website allocated to your SoundCloud user account by SoundCloud, please log out of your SoundCloud user account before you activate content of the SoundCloud plug-in.

## **7. Online-based Audio and Video Conferences (Conference tools)**

### **Data processing**

We use online conference tools, among other things, for communication with our customers. The tools we use are listed in detail below. If you communicate with us by video or audio conference using the Internet, your personal data will be collected and processed by the provider of the respective conference tool and by us. The conferencing tools collect all information that you provide/access to use the tools (email address and/or your phone number). Furthermore, the conference tools process the duration of the conference, start and end (time) of participation in the conference, number of participants and other “context information” related to the communication process (metadata).

Furthermore, the provider of the tool processes all the technical data required for the processing of the online communication. This includes, in particular, IP addresses, MAC addresses, device IDs, device type, operating system type and version, client version, camera type, microphone or loudspeaker and the type of connection.

Should content be exchanged, uploaded, or otherwise made available within the tool, it is also stored on the servers of the tool provider. Such content includes, but is not limited to, cloud recordings, chat/ instant messages, voicemail uploaded photos and videos, files, whiteboards, and other information shared while using the service.

Please note that we do not have complete influence on the data processing procedures of the tools used. Our possibilities are largely determined by the corporate policy of the respective provider. Further information on data processing by the conference tools can be found in the data protection declarations of the tools used, and which we have listed below this text.

### **Purpose and legal bases**

The conference tools are used to communicate with prospective or existing contractual partners or to offer certain services to our customers (Art. 6(1)(b) GDPR). Furthermore, the use of the tools serves to generally simplify and accelerate communication with us or our company (legitimate interest in the meaning of Art. 6(1)(f) GDPR). Insofar as consent has been requested, the tools in question will be used on the basis of this consent; the consent may be revoked at any time with effect from that date.

### **Duration of storage**

Data collected directly by us via the video and conference tools will be deleted from our systems immediately after you request us to delete it, revoke your consent to storage, or the reason for storing the data no longer applies. Stored cookies remain on your end device until you delete them. Mandatory legal retention periods remain unaffected.

We have no influence on the duration of storage of your data that is stored by the operators of the conference tools for their own purposes. For details, please directly contact the operators of the conference tools.

### **Conference tools used**

We employ the following conference tools:

personal data of our website visitors only based on our instructions and in compliance with the GDPR.

## **Data processing through social networks**

We maintain publicly available profiles in social networks. The individual social networks we use can be found below.

Social networks such as Facebook, Twitter etc. can generally analyze your user behavior comprehensively if you visit their website or a website with integrated social media content (e.g., like buttons or banner ads). When you visit our social media pages, numerous data protection-relevant processing operations are triggered. In detail:

If you are logged in to your social media account and visit our social media page, the operator of the social media portal can assign this visit to your user account. Under certain circumstances, your personal data may also be recorded if you are not logged in or do not have an account with the respective social media portal. In this case, this data is collected, for example, via cookies stored on your device or by recording your IP address.

Using the data collected in this way, the operators of the social media portals can create user profiles in which their preferences and interests are stored. This way you can see interest-based advertising inside and outside of your social media presence. If you have an account with the social network, interest-based advertising can be displayed on any device you are logged in to or have logged in to.

Please also note that we cannot retrace all processing operations on the social media portals. Depending on the provider, additional processing operations may therefore be carried out by the operators of the social media portals. Details can be found in the terms of use and privacy policy of the respective social media portals.

## **Legal basis**

Our social media appearances should ensure the widest possible presence on the Internet. This is a legitimate interest within the meaning of Art. 6 (1) lit. f GDPR. The analysis processes initiated by the social networks may be based on divergent legal bases to be specified by the operators of the social networks (e.g., consent within the meaning of Art. 6 (1) (a) GDPR).

## **Responsibility and assertion of rights**

If you visit one of our social media sites (e.g., Facebook), we, together with the operator of the social media platform, are responsible for the data processing operations triggered during this visit. You can in principle protect your rights (information, correction, deletion, limitation of processing, data portability and complaint) vis-à-vis us as well as vis-à-vis the operator of the respective social media portal (e.g., Facebook).

Please note that despite the shared responsibility with the social media portal operators, we do not have full influence on the data processing operations of the social media portals. Our options are determined by the company policy of the respective provider.

## **Storage time**

The data collected directly from us via the social media presence will be deleted from our systems as soon as you ask us to delete it, you revoke your consent to the storage or the purpose for the data storage lapses. Stored cookies remain on your device until you delete them. Mandatory statutory provisions - in particular, retention periods - remain unaffected.

We have no control over the storage duration of your data that are stored by the social network operators for their own purposes. For details, please contact the social network operators directly (e.g., in their privacy policy, see below).

## **Your rights**

You have the right to receive information about the origin, recipient and purpose of your stored personal data at any time and free of charge. You also have the right to object, the right to data portability and the right to file a complaint with the responsible regulatory agency. Furthermore, you can request the correction, blocking, deletion and, under certain circumstances, the restriction of the processing of your personal data.
